

How guests make payments for their accommodation at The Green

Firstly, please be aware that guest payments for accommodation **can only be paid via BACS**. If you struggle with a BACS payment, we would be grateful if you could arrange to pay the couple directly.

This is the information you will need:

Bank Transfer from a UK Bank

Please use the following details for payment:

Account Name: The Green Cornwall Ltd
Sort Code: 53-70-17
Account: 74177281

- As the reference, please use your name and the Booking Number for the Wedding. (The couple should be able to supply you with this number, it will be shown on their booking confirmation).
- So, **for example**, this should be A SMITH BK-02816.
- After payment, you should email stay@thegreencornwall.co.uk to confirm that you have just made payment including any additional relevant information.
- If you are paying for other members of the family or friends, you will need to clarify the names of all those included in the payment so that we can allocate the amounts appropriately.
- You will receive an automated response but please be aware that the inbox is unmanned so if you require answers to any specific questions which you cannot find on the [Guest Information Page](#), please email planning@thegreencornwall.co.uk
- The Green will match the payment to the couple's booking and send **them** confirmation. Please note that due to our banking arrangements, details of payments do not reach us instantly so couples will not receive an immediate notification but communication will be made on a regular basis.

Bank Transfer from a Non-UK Bank

Some or all of this information is required depending on the country:

Bank Transfer from a Non-UK Bank

Some or all of this information is required depending on country:
